Hello Lisa,

Thanks for your prompt reply. We are still trying to nail down the date. With the change in location there may be enough in what you have allocated for both you and Joel to attend. But that will be your choice as the budget allows.

Sheryl

Hi Sheryl!

How are you and Happy New Year!

We are thrilled to know that the EJ training is about to happen. Joel is scheduled to attend the training on behalf of Beyond Toxics.

Sincerely, Lisa

Lisa Arkin, Executive Director

Subject: Training for 2015 EJ Small Grantees

Again, Hello EJ Small Grant Recipients

Now the proposed dates are Feb 16-17, Tuesday and Wednesday.

Again, please respond ASAP to gallaher.jo@epa.gov. Sorry for the need for a second round to schedule.

The dates of Feb 2-3 for the training for all R10 EJ Small Grant recipients to come to the Regional Office in Seattle does not work for everyone.

Remember that this is training that all grant recipients are required to attend and participate in. We are checking your availability first for those days. Since this will require coordination it will be helpful if you can let us know by close of COB today. We apologize for the short notice, but we have just received those dates and the time frame is only three weeks away. Funding for your accommodations and travel has already been included in your budgets. Thank you for your quick response.
